

Hampton Police Division Larceny from Vehicle Prevention Tips

- **Always lock all doors.**
- **Roll windows up tight.**
- **Install tapered interior door lock buttons.**
- **Park in heavily traveled well lit areas.**
- **Engrave an identifying number on a hidden place on the car and on any valuable components to help police identify any recovered property.**
- **Don't leave valuables in sight.**
- **Don't hide spare keys – they can be found.**
- **Don't think it can't happen to you – act before, not after the crime.**
- **Report any suspicious activity to the Hampton Police Division by calling 727-6111.**

Environmental factors can also contribute to these types of crimes occurring. Please ensure that all of your exterior lights are turned on and your trees and shrubbery are trimmed and well kept. Please report any street lights that are not functioning properly to 311 or 728-3111.
